

Dear Fusion Family,

Please know that we understand how challenging this time is for ALL of you. We, like, you are not only disappointed that our season has come to a quick halt but we are concerned for the well-being and safety of each and every one of you. We miss the “norm” and are trying to adjust to the new “norm” like you for the moment. That word “moment” is what we are holding strongly onto as it is our prayer that this current “moment” will be just that and we will ALL be able to resume to the life that we have now gained a better appreciation for because of this new “norm” (COVID-19).

Fusion Nationals

We are still very hopeful and excited about Fusion Nationals and celebrating our 8th year! Please consider joining us in Orlando FL June 29-July 3 to **Come Together** for a time of dancing and celebration! As we understand this year is a bit different, we are accepting registrations that were unable to attend one of our regional events. In addition, if your studio is unable to commit to the entire week, our Nationals begins with a preliminary competition followed by the challenge competition (the best of the best re-compete) and we are also willing to waive the obligation to participate in the challenge. Your students will still be able to take advantage of all of the activities our Nationals has to offer. Last, but not least, if you are a studio that has not had the opportunity to attend one of our 2020 regionals, as the Studio Director, you may nominate your own Fusion Stars who will be able to take more classes and participate in the opening number at Nationals.

Fusion Regionals

Due to COVID-19 Virus all Fusion regional events have been postponed through April 23, 2020 at this time. We are working diligently to reschedule some of these events. Studio Directors will be provided with additional information regarding their specific event as we work through the details with local, state, national and CDC recommendations. Because there are many variables and changes are occurring constantly we ask for your patience as we, too, are in a “pause” until further information is obtained.

Fusion Commitment

Fusion will continue to be in contact with you on a regular basis. Please know that we are doing everything within our power to navigate this situation. We thank you for your support and granting us time to organize and problem solve. We will post general information to our website and social media platforms. Although we value our relationship with dancers and parents, in order to keep communication streamlined, specific details will be limited to correspondence with Studio Directors via email and/or phone.

We are ALL operating in uncharted territory and we are ALL figuring it out on the fly. The good news is that we will learn more about ourselves during this time that will hope make us better business owners, teachers, dancers, parents, friends and citizens so when faced with future challenges we are better equipped. Please know that you are not alone and each and every one of you are in our thoughts and prayers. Please stay safe, healthy and strong!

Dancingly Yours,

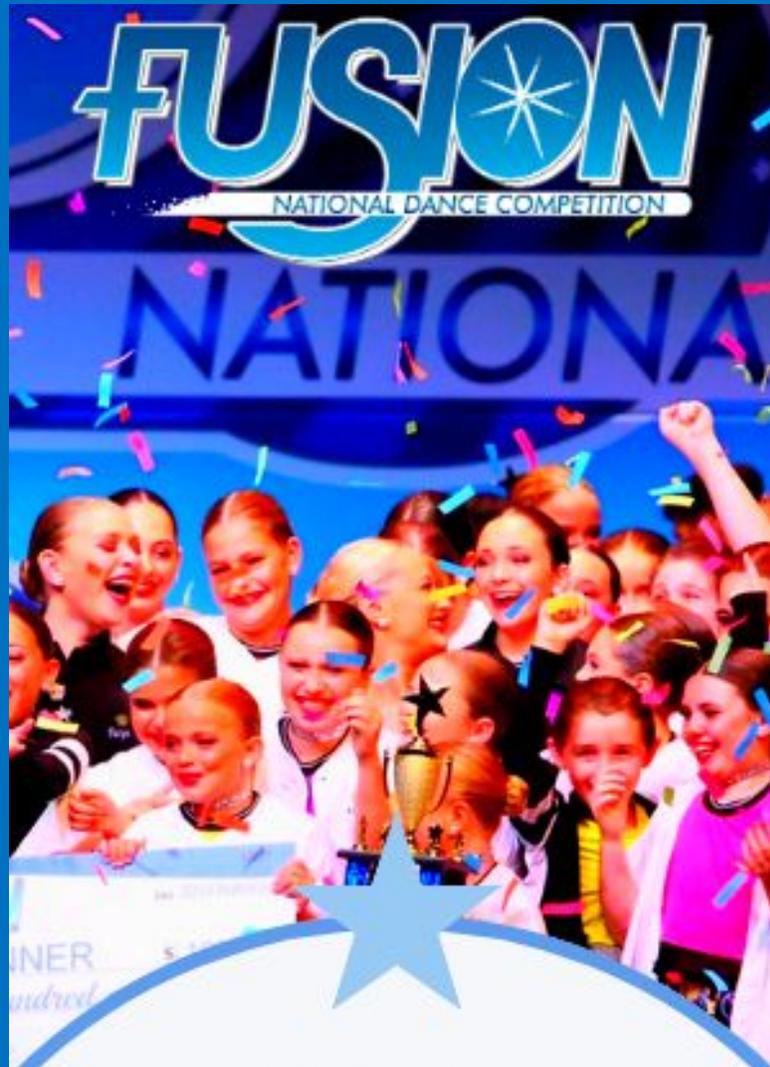

The Fusion Family
